GATE 4 – 7 CODES HAVE CHANGED

In an effort to maintain security for the tenants of Napa County Airport, vehicle gate codes are changed annually and remote control codes are changes every two years. On Thursday, April 15, 2010, **tenant key pad codes and gate remote control codes for Gates 4-7 were changed.** Key pad codes for delivery vehicles were also changed.

If you need help to reset your gate remote, come to the Airport Office for more information. The office is open Monday through Friday, 8:00 a.m. - noon and 1:00 – 5:00 p.m., closed on holidays. The codes are available to tenants only. **Please do not share the code information with others.**

GATE REMOTES AVAILABLE

Gate remote clickers are now available to tenants only, for a fee of \$25.00. Clickers are programmed to open gates 4 – 7. To purchase a clicker, visit the Airport Office during business hours.

AIRCRAFT WASHING

This is a reminder. It has been reported that some tenants are not using the wash rack, which is correctly equipped with an oil/water separator, for aircraft washing. **The wash rack is the only designated area for aircraft washing.** Please remember, private vehicle washing is not permitted anywhere on the airport.
