## FROM THE TOWER

You may have heard two new voices from the tower last month. Napa tower welcomes Mike Soto as a new operational supervisor. Mike joins us from Great Falls Montana tower and approach.

Also new to Napa and the FAA is Emily De'Ath. Emily is a graduate of UNLV and Mt. San Antonio with an aeronautical sciences degree. She recently attended the eight week long air traffic control academy in Oklahoma City. Over the next 6-12 months, you can expect to hear her on every radio while in a training status.

As always, Napa ATCT will be open and operating during the holidays. We are here for you. Tours are available with the Air Traffic Manager's approval and a few restrictions. Call 707-255-1533 to make a tour appointment.

On that note, the Air Traffic Manager will be out of the country until November 26<sup>th</sup>, enjoying the sights and scenery of south eastern Asia.

## PROJECT UPDATES

### ROADWORK

A section of Airport Road from the railroad tracks to the parking lot has been resurfaced. New road markings will also be done. More roadwork is in the planning stages, dependent on weather.

### GATE CODES

Your Security Advisory Committee has recommended that all gate codes be changed. We hope to accomplish this in early 2008. Your notification of code change will be included in your monthly hangar rental billing, prior to the code change. You may also visit Airport Operations to have your gate remote programmed.

### HANGAR DOOR INSPECTIONS

The VORTEX crew begins hangar door inspections this month. This includes lube and adjustment of the doors, and minor repairs. If you have concerns about your hangar doors, please call Airport Operations at 707-299-1695.

### GATES REPAIRS

The Airport's gates are also receiving some much needed TLC from AC Fencing Co. All powered gates are currently operational.

### LANDSCAPE PROJECTS

The landscape medians on the north and west sides of the corporate hangars have been refurbished. Refurbishment of medians on Airport Blvd. will begin soon, and progress through 2008.

## AIRPORT SAFETY

### GATE SAFETY

When approaching closing gate, please wait for the cycle to be completed, then enter your gate code or use your remote clicker.

Please do not "tailgate" through an open gate, as the gate may close on your car!

### NEW HANGAR PACKETS AVAILABLE

Newly updated hangar information packets are available for our hangar tenants. They will be available at the Napa Airport Pilots' Assoc. meeting on Tuesday, November 13<sup>th</sup> and in the Airport Office. Packets contain information on aircraft and hangar taxes, fire and other safety guidelines, NO SMOKING and HANGAR REGULATIONS signage and more.

## HOLIDAY HOURS

Airport Operations staff will be available daily, 8:00-17:00 even when the Airport Office is closed.

### NOVEMBER HOLIDAY HOURS

The Airport Office will be closed on Monday, November 12<sup>th</sup> for Veteran's Day. It will also be closed on Thursday and Friday, November 22<sup>nd</sup> and 23<sup>rd</sup>, for the Thanksgiving Holiday.

Jonesy's Famous Steakhouse will be closed on Thanksgiving Day, Thursday, November 22<sup>nd</sup>.

### DECEMBER HOLIDAY HOURS

The Airport Office will be closed on Christmas Day, Tuesday, December 25<sup>th</sup>.

Jonesy's Famous Steakhouse will also be closed on Christmas Day, December 25<sup>th</sup>.

### JANUARY HOLIDAY HOURS

The Airport Office will be closed on New Years Day, Tuesday, January 1<sup>st</sup>, 2008.

Jonesy's Famous Steakhouse will also be closed on New Years Day, January 1<sup>st</sup>.

## HOLIDAY PARTY

Bridgeford Flying Services would like to thank everyone for their help during our busy times. Now that the weather is coming and there are no transient planes to speak of, we will be performing maintenance on our facility and equipment as we gear up for next year.

I look forward to seeing everyone at the BFS annual Holiday Party on Monday, December, 17, 2007 AT 6:00 p.m. in our hangar (C-55) behind the FBO.

**It's a potluck, so please bring food to share!**
